AN EVENING WITH ALAN FREW MUSIC - COMEDY - STORYTELLING

GLASS TIGER FRONT MAN MULTI-PLATINUM SINGER/SONGWRITER BESTSELLING AUTHOR

AN EVENING WITH ALAN FREW is an up-close and personal performance featuring the many hits from his solo career and those of Glass Tiger. Alan's acutely observational comedy finds humour in some of the more edgy moments of everyday life including the experiences surrounding getting older, medical conditions and examinations, air travel, family relationships and growing up poor. Alan remains one of Canada's favourite entertainers and most recognized celebrities.

"Alan Frew is passionate, entertaining and a marvelous storyteller. I felt like I spent the evening in his living room."
